Co-op Duties & Sign Up

As part of the CHNS community, you committed to volunteering a minimum of 4 hours of work per family, outside of your helping parent days, throughout the year. All of these jobs help the school run and build a sense of community within the co-op. Please consider your skills and expertise when signing up. Each family should sign up for at least 4 hours of community service. The list will be available at Back to School Night for the open opportunities to volunteer.
